

## Brief Report on: Celebration of National Science Day on 28-02-2025.

The National Science Day is celebrated with interest and enthusiasm in SJMV BAJSS Arts and Science College for Women, Ranebennur on March 1<sup>st</sup> -2025. The basic purpose of this day is to inspire students to new experiments, attract them to science, and make them aware of science and scientific achievements. Also spread a message about the importance of science used in the daily life of the people. The theme for National Science Day 2025 is ""Empowering Indian Youth for Global Leadership in Science & Innovation for Viksit Bharat". The theme will focus on encouraging young minds, recognising ground-breaking contributions, and celebrating India's scientific achievements.." The principal of the college Dr.R.V.Hegadal speak on the relevance and importance of the National Science Day is celebrated in the country he also said that encouraging the youth to participate in the nation. He also said it emphasizes the role of young minds in driving India's scientific and technological progress, aligning with the vision of Viksit Bharat 2047. On this occasion of National Science Day, this year our college has privilege of celebration in our campus. The faculty members and students attended and took voter's pledge in the programme.
